Why is **CLIPPER** an iconic & special brand?

We are **LEADERS**

in reusable lighters

Pioneer Manufacturer Since 1959

Pioneer manufacturer with over 60 years of experience and continuous investment.

1959

Leaders in the world of Reusable lighter

The first plastic reusable lighter ever produced, back in 1971.

We are **SAFE**

Premium Quality & Safety

Lighter manufacturer complying with the International Safety Norm ISO9994 on the mass production, not just on prepared samples.

Nylon: one of the most Safest Plastic Materials

Highest performance: uncrackable, resistant, self-extinguishable and flexible.

One of the most safest Flames

Pre-set flame valve

Highly safe fixed flame valve: generating a stable flame, maximum 30mm, throughout the life of the lighter.

Isobutane: one of the most safest Gas

ISOBUTANE

Lower pressure.
No bad odour.

Product Liability Insurance

Covering up to £80 million.

We are **UNIQUE**

Iconic Shape

Since 1971.

The Reusable Lighter

A truly refillable lighter (gas & flint).

Packing Tool

For rolling tobacco.

Customisable

Multiple combinations available to fit everyone's needs.

PLASTIC WASTE, ONE OF THE MAIN THREATS FOR THE PLANET SUSTAINABILITY

One of the main environmental problems: **PLASTIC WASTE**

80%
of all plastic waste is dumped

The plastic waste & microplastics are damaging the environment and the fauna

9%
is recycled

Bans on single use and disposable plastic products are emerging around the world

ONE OF THE SOLUTIONS TO REDUCE GENERATING PLASTIC WASTE ARE THE REUSABLE PLASTIC PRODUCTS

How to reduce plastic waste production?

Small actions may have a big impact. Reusing the CLIPPER Classic, you can reduce:

The plastic waste

The consumption of plastic and other natural resources

WHY IS CLIPPER A TRULY REUSABLE LIGHTER?

Since 1972, Clipper has provided the full solution for reusability of plastic lighters.

With Clipper you can refill the gas*, the flint* and replace the sparkwheel, giving you the option to reuse it as many times as you want.

*Available in specialised stores and online

GOING BEYOND RE-USABILITY, SUSTAINABILITY IS AT THE CORE OF CLIPPER'S WAY OF DOING

34%* of each Clipper lighter is made from recycled materials.

*As certified by Geolab accredited lab.

The energy consumed in our production process has been reduced 25%* in the last 3 years.

*According internal audit
